

## **EVENT REPORT**

"Code-a-thon" - Loki-Themed Coding Contest by CodeX at GITAM (Deemed to be University) Bengaluru.

### **Introduction**

"Code-a-thon" was an electrifying break from our usual events, conducted on 27th March 2024, at GITAM Bengaluru. Organized by CodeX with E-club's help, this Loki-themed coding contest aimed to let students show off their coding skills while working together.

### **Event Details**

- Theme: Inspired by Marvel's Loki, the contest had a fun theme that made it more exciting for everyone involved.
- Format: Contestants were required to come up as a team of 3 - 4 people, The Contest was divided into three phases with Easy, Medium and Hard question equally divided.
- Winners: Each phase had a winner who got to enjoy a special lounge. This made winning even more exciting with special prizes for the winners, this pushed everyone to do their best.
- Competition: Contestants were allowed access to the leaderboard to constantly check where they rank among their peers, this peer pressure and essence of competition pushed most of the participants to excel.

- Collaboration: "Code-a-thon 2024" was successful because everyone worked together. CodeX, E-Club, and CD interns among others all helped to make it happen.

### **Special Acknowledgments:**

- Mahesh Varrier Sir: We're so grateful to Mahesh Varrier Sir for helping us from start to finish. His support made "Code-a-thon" a success.
- Inaugural Speaker - Director of Gitam, Baswaraj Sir: Having Baswaraj Sir kick off the event was a big deal. His words inspired everyone to do their best.
- Competence Development Department: The Competence Development Department's support was amazing. Their help and support made the contest even better.

**Impact:** "Code-a-thon" wasn't just about coding; it brought people together and made the coding community at Gitam Bangalore stronger. It was a chance for everyone to learn and grow.

### **Conclusion:**

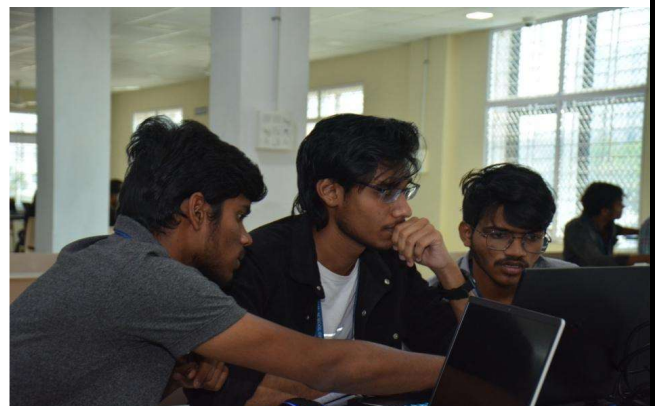

Overall, "Code-a-thon 2024" was a huge success. It showed the talent and teamwork at Gitam Bangalore and set a high standard for future events. As we look back on this event, we're excited for what's to come in the coding community at Gitam Bangalore.
